----- PRE-EVENT -----		
Monitor the personal health status (including temperature detection and monitoring of any symptoms) from 14 days before and during the event.	Monitor the personal health status for yourself. Avoid unnecessary risk.	
Fill in the online pre-event questionnaire.		
Perform an Antigenic (in most countries for free) or PCR swap pre-travel test 72 hours before the athletes' travel to the event or no later than 6 days before the event for local athletes		
All Elite and Para athletes must submit a pre-travel medical certificate through the World Triathlon registration system		
Upload the necessary documents to https://triathlon.org/pre_event_covid_19_screening_guide		
----- AT EVENT -----		
An antigenic COVID-19 test for elite , para triathletes and guides, coaches, team medical and support NF personnel at race-pack distribution done by the LOC . In case of a positive result, a PCR swab test must follow. This will take place on Friday 17 September, from 6pm until 8pm.	Present a Covid-19 Certificate (fully vaccinated, recovered from disease or have negative tested). Only the Swiss and EU/EFTA Certificate are valid. Present an identification document. Children younger than 16y do not need a Cofid-19 Certificate.	Present a Covid-19 Certificate (fully vaccinated, recovered from disease or have negative tested).
